Submission

I respectfully submit that:-

1. Macintosh be allocated to the member for Apsley
2. Prosser be allocated to the current member for Western Tiers
3. Prosser replace Western Tiers in the election cycle (i.e Prosser goes to the polls in 2018)
4. The Electoral boundaries take effect from July 1, 2017

Reasons

McIntosh is predominantly based on the seat of Apsley whose member is based in the North East and was elected in 2016. to transfer her to Sorell would be unfair and disconnect her from her home base and potentially have to re-contest her new seat only 2 years after being elected. The member for Apsley is not of retirement age and has indicated her intention to rec-contest her seat.

Conversely Prosser should be allocated to the member for Western Tiers and go to the polls in 2018 because:

- i) The Prosser electorate is replacing the Western Tiers electorate
- ii) The electors of Prosser should be given the earliest opportunity to elect their member, noting that if Prosser is allocated to the member for Western Tiers and does not go the polls in 2018, the member for Western Tiers will not have faced the people for 10years.
- iii) The member for Western Tiers is of retirement age and has privately indicated his intention not to re-contest.
