Initial Proposal submission from Andrew Minnucci

Tell us your name:	Andrew Minnucci
Enter your comments, suggestions or objection here:	Objection - I live and work in Hobart. Living on the corner of Yelgun Place and Girrabong Road, I object that the new boundary will place me in Elwick (Glenorchy) where decisions made will not support my property directly. Maintain the original border for Lenah Valley as the division of the suburb makes no sense.
